Introduction

What are we doing

Musical Theatre + Lunch + Musical Theatre
(09:30 - 16:30 - Full Day Experience)

This summer we will be offering a total immersion into the world of **Performing Arts and Musical Theatre** with “La Tourné Teatro”

Musical Theatre encourages children to explore their emotions, expand their imagination and helps them to develop their own unique voice.

Children will develop their creative passions as they simultaneously learn language and communication skills through **enchancing songs, dazzling choreography, captivating set design, makeup artistry, and costume creation.**

Embark on a theatrical journey with “La Tourné Teatro” at BCLC, where your children will not only create but also perform in professional shows . Guided by professional actors, they'll blossom into genuine stars, mastering every aspect of the production process. Your young performers will captivate audiences with their newfound skills.

Join us for an extraordinary summer where dreams take centre stage, and your child becomes the star they were born to be!

At the end of the course, the students will proudly showcase their learning and performance to an audience with professional sound and lighting in our very own theatre.

Time to Cool off Incorporated into the day, children will have the chance to cool off and enjoy a fun variety of team water sports and games, including our famous 'slip n slide'.
