Sports Experience

WEDNESDAY 25TH JUNE- FRIDAY 25TH JULY

AGE: 7 - 16 Y.O (Born 2018-2009)

Energy, fitness
and sports
come to life

Introduction

What are we doing

Sports EXPERIENCE + Lunch + Projects
(09:30 - 16:30 - Full Day)

Sports EXPERIENCE + Lunch (09:30 - 14:30)

Sports EXPERIENCE (09:30 - 13:00)

Sign up and kick start your summer at BCLC's Sports Experience where energy, fitness and sports come to life. We have created a fun environment which encourages budding superstars to develop their skills, confidence, technique, creativity and love for sports, such as football, volleyball, basketball, gymnastics and athletic style activities. All of this under the watchful eye and personal interaction with our respected Sports coaches. Daily sessions will involve a professional style training approach alongside studying the tactics of the sports elite amongst other team games as well as developing an understanding of sports science.

This summer you will become a team and make longlife friends and above all enjoy the beautiful world of sport.

Children attending our Sports Experience will be immersed in English whilst having fun in a natural spontaneous way.

Time to Cool off (mornings only)

Incorporated into the training sessions, children will have the chance to cool off and enjoy a fun variety of team water sports and games, including our famous 'slip n slide'.

After a morning of training on the pitch, the children will engage in project based learning focusing on the world of sport.

BCLC students will have the opportunity to complete their homework.
All this will take place inside our modern, well equipped air conditioned learning spaces.

- **design a sports stadium**
- **design a new sports kit**
- **analyse players and tactics**
- **create a new sports club**
- **designing a logo**
- **healthy body + fitness**
